

Outline Wireframe and Design for DALDIS 4-Country Websites

Wordpress site pilot at turkey.study-quest.eu

11 May 2021

Doğa StudyQuest

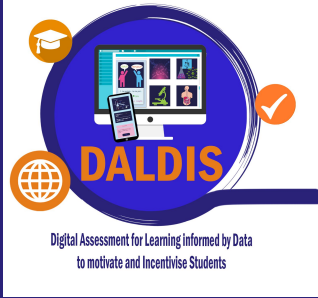

Menu:
For Teachers
DALDIS Project
Evaluation
Others

This page is for your students every day use so should be very simple. Very short intro to your courses (courses from each country partner only - these are used as examples)

Your
courses
are here

Guidelines for additional pages

Teacher Page or About StudyQuest Page

Model on JCQuest Teacher page - some basic information about assessment for learning , how to use it and how to get you classes set up

DALDIS Project

Short summary of DALDIS project taken from daldis.eu

Euro Commission Erasmus+ references

Link to www.daldis.eu

Evaluation

A page to host our evaluation questionnaires

Assume Google forms will be used for evaluations - and a set of links to questionnaires will be managed here or on DALDIS.eu main website with a link from here?

Footer

Terms of Use, Privacy and Confidentiality, Contact Us, About DALDIS, Erasmus+ & EU logos?

School partners may use information from their existing websites for these pages?
